Dear Sir/Ma'am,

At the onset, we would like to thank you for the opportunity given to conduct a Health Camp at your reputed institute.

We got a good response from your staff on the day of the event with **86 registrations** and **52 employees** did their health check with us. There are still many staff members who did not avail the services and few even went back during lunch time due to the waiting time. We would be more than happy to come again on a pre-planned day to cover the remaining staff. You can let us know your convenient day.
